MEMORANDUM FOR THE FILE

25X1A9A

If it is concluded that [redacted] is indebted to the United States as outlined in the letter of September 30, 1955 from the General Counsel, Mr. Lawrence R. Houston, Central Intelligence Agency, a demand letter, other than our standard form, should be prepared for my signature requesting the balance due the United States. No mention should be made in the letter that we propose, if there is a failure to collect, to refer the case to the Department of Justice. However, I think the same number of demand letters should be dispatched as in other cases.

25X1A9A

I have informally called to the attention of our General Counsel, [redacted], the request of the Central Intelligence Agency that we not send the case to the Department of Justice and he agrees that we should respect Mr. Houston's request.
